

BUILDING A MINE CAN BUILD A COUNTRY

SIPHO MFUPHI
New Vaal Colliery

SUCCESS CANNOT BE
ATTRIBUTED TO MINERAL
DEPOSITS, OR EVEN MINES.

INSTEAD, WE KNOW THAT
OUR PEOPLE ARE WHAT MAKE
OUR COMPANY. AND THE MORE
WE ALL ACHIEVE INDIVIDUALLY,
THE MORE WE HELP OTHERS
IN THE COMMUNITY IN RETURN.

LIKE THROUGH OUR
ENTERPRISE DEVELOPMENT
INITIATIVE, ZIMELE, WHICH
FUNDS, TRAINS AND MENTORS
EMERGING BLACK BUSINESSES
IN MINING COMMUNITIES.

WITH 738 PROFITABLE
BUSINESSES SUPPORTED,
AND 12 723 JOBS CREATED
AND SUSTAINED, IT SHOWS
THE BIGGEST IMPACT A MINE
CAN MAKE IS ABOVE GROUND.
