

SAMUEL TERREROS
Quellaveco, Peru

ANGLO AMERICAN IS IN MINING
FOR THE LONG TERM.

THAT'S WHY WE PUT THE CONCERNS
AND AMBITIONS OF THE
COMMUNITIES AROUND OUR MINES AT
THE CORE OF OUR THINKING.

BEFORE ANY MINING TAKES PLACE
WE ARE PLANNING FOR THE IMPACT
THE MINE WILL HAVE ON THE AREA,
NOT JUST WHEN THE MINE IS
OPERATIONAL, BUT AFTER IT CLOSES.

THROUGH OUR SOCIO-ECONOMIC
ASSESSMENT TOOLKIT (SEAT),
WHICH WE OPERATE AROUND
THE WORLD, WE CONDUCT
COMPREHENSIVE STUDIES AND
ENGAGEMENT PROGRAMMES WITH
THOSE WHO THE MINE WILL AFFECT;
SOCIALLY AND ECONOMICALLY.

IT ALLOWS US TO UNDERSTAND
HOW BEST WE CAN HELP OUR
NEIGHBOURS TO PROSPER, TO
ACHIEVE THEIR POTENTIAL AND
REACH THEIR GOALS. TO SHARE
IN OUR SUCCESS.

IT IS SMART MINING, AND WELL,
JUST GOOD MANNERS.
