

GRI INDEX

This index represents our assessment (Yes/Partial/No/Not applicable) of whether Anglo American public reports address the criteria set down in the 2002 GRI Sustainability Reporting Guidelines (www.globalreporting.org) for core performance indicators. Page references are to the Anglo American Sustainable Development Report 2003 unless indicated otherwise. We have also recorded whether we address the GRI's additional performance indicators (*) where appropriate.

Economic		
<i>Customers</i>		
EC1: Net sales	Y	Annual Report (note 4, page 52)
EC2: Geographic breakdown of markets	Y	Annual Report (note 2, pages 49 and 50)
