EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The directors believe that the proposed resolutions are in the best interests of the Company and its shareholders and unanimously recommend shareholders to vote in favour, as the directors intend to do in respect of their own beneficial shareholdings.

(1) Election of director

Mr Phuthuma Nhleko was appointed as a director after the date of publication of the Annual Report and therefore is not referred to in that document. Mr Phuthuma Nhleko's biographical details are included in the letter from the chairman dated 21 March 2011, posted to shareholders with this Notice of Meeting.

(2) Re-election of directors

Resolutions three to 13 relate to the re-election of the directors. Their biographical details are set out on pages 88 and 89 of the Annual Report to enable shareholders to take an informed decision on their re-election.

The Board confirms that all of the directors continue to perform effectively and demonstrate commitment to the role.

(3) Long Term Incentive Plan 2011

Resolution 17 seeks approval for the Anglo American Long Term Incentive Plan 2011 (the 'new Plan'). The new Plan replaces the Long Term Incentive Plan ('LTIP'), adopted in 2001 which is due to expire on 14 May 2011. It is intended that the new Plan will be very similar to the expiring plan, subject to a number of amendments designed to reflect changes in practice since 2001, details of which are contained in Appendix 1 on page five of this document, together with a summary of the principal terms of the new Plan.

Copies of the draft rules of the proposed new Plan may be inspected at the registered office of the Company and at the office of Linklaters, One Silk Street, London EC2Y 8HQ during usual business hours on weekdays until the date of the Annual General Meeting, and also at the place of the Annual General Meeting for at least 15 minutes prior to, and during, the meeting.

(4) Authority to allot securities

The purpose of Resolution 18 is to renew the directors' power to allot shares.

The authority will allow the directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a nominal value of US\$72.5 million, which represents not more than 10% of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 18 February 2011.

At 18 February 2011, the Company held 22,688,678 treasury shares which represents 1.72% of the total ordinary issued share capital, excluding treasury shares, at that date.

There are no present plans to allot new shares other than as referred to in Explanatory Note 5 below.

If the resolution is passed, the authority will expire on the earlier of the conclusion of the Annual General Meeting in 2012 or 30 June 2012.

(5) Disapplication of pre-emption rights

If the directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme) company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of Resolution 19 is to authorise the directors to allot new shares pursuant to the authority given by Resolution 18, or sell treasury shares, for cash in connection with a pre-emptive offer or rights issue; or otherwise up to a nominal value of US\$36.2 million, equivalent to 5% of the total issued ordinary share capital of the Company as at 18 February 2011, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings.

The directors have no present intention of exercising this authority except in relation to the allotment of ordinary shares to certain non-executive directors by subscription of their after tax directors' fees.

The directors consider the authority in Resolution 19 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles not to allot shares for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three year period without prior consultation with shareholders.

(6) Resolution 20 – Authority for market purchases

The directors are requesting this authority which, in accordance with practice in the UK, represents not more than 14.99% of the ordinary issued share capital as at 18 February 2011. The directors will only exercise this authority if they consider it is in the best interests of shareholders generally and if the purchase could be expected to result in an increase in earnings per share (other than in connection with an employee share scheme).

If any ordinary shares purchased pursuant to this authority are not held by the Company as treasury shares then such shares would be immediately cancelled, thereby reducing the number of ordinary shares in issue.

The total number of options to subscribe for shares outstanding at 18 February 2011 was 4,960,332 ordinary shares, which represents 0.38% of the issued ordinary share capital at that date. If the Company were to buy back the maximum number of shares permitted, then the number of options outstanding would represent 0.44% of the reduced share capital.

(7) Notice of general meetings

Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice.

Resolution 21 seeks such approval. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

Voting arrangements

Holders of ordinary shares are entitled to attend and vote at general meetings of the Company. The total number of issued ordinary shares in the Company (excluding those held in treasury) on 18 February 2011, which is the latest practicable date before the publication of this document, is 1,320,245,172, carrying one vote each on a poll. Therefore, the total number of votes exercisable as at 18 February 2011 is 1,320,245,172.

A poll will be held at the AGM on each of the resolutions. A poll reflects the number of voting rights exercisable by each member and so is a more democratic method of voting. Shareholders entitled to attend and vote at the AGM may appoint one or more proxies to attend and vote on their behalf, provided that each proxy is appointed to exercise the rights attached to a different share or shares by that shareholder. The appointment of a proxy will not prevent a shareholder from subsequently attending and voting at the AGM in person.

A proxy need not be a shareholder of the Company. To be valid, proxy appointments must be received no later than 48 hours prior to the meeting. UK registered shareholders may appoint a proxy online by logging on to www.sharevote.co.uk and following the on screen instructions. You will need the Voting ID, Task ID and shareholder reference number printed below your name on the accompanying form of proxy.

CREST members wishing to appoint a proxy using the CREST electronic proxy appointment service may do so via Equiniti (ID RA19). If you are a CREST personal member, a CREST sponsored member, or a CREST member who has appointed a voting service provider, you should refer to your sponsor or voting service provider who can take the appropriate action for you. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) by the latest time(s) for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to him by other means.

CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST

system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Form of proxy

Every holder has the right to appoint some other person(s) of their choice, who need not be a shareholder as his/her proxy to exercise all or any of his/her rights, to attend, speak and vote on their behalf at the meeting. If a shareholder wishes to appoint a person other than the chairman, the name of the chosen proxy holder should be inserted in the space provided on the accompanying form of proxy. For shareholders outside South Africa, where the proxy is being appointed in relation to less than the shareholder's full voting entitlement, please enter in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as proxy. If left blank the proxy will be deemed to be authorised in respect of the shareholder's full voting entitlement. If the proxy form has been issued in respect of a designated account for a shareholder, the proxy will be deemed to be authorised in respect of the full voting entitlement for that account.

To appoint more than one proxy, an additional proxy form(s) may be obtained by contacting the Share Registrars or Transfer Secretaries or the form of proxy may be photocopied.

Shareholders should also indicate by ticking the box provided if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.

Nominated persons

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ('nominated persons'). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

Record date

Entitlement to attend and vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at 6.00 pm UK time on 19 April 2011 or, if the meeting is adjourned, 6.00 pm two days prior to the time fixed for the adjourned meeting (as the case may be).

Publication of audit concerns

Shareholders should note that, under Section 527 of the Companies Act 2006 members

meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM for the financial year beginning 1 January 2010; or (ii) any circumstance connected with an auditor of the Company (appointed for the financial year beginning 1 January 2010) ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting for the relevant financial year includes any statement that the Company has been required, under Section 527 of the Companies Act 2006, to publish on a website.

Questions

Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:

- to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
- the answer has already been given on a website in the form of an answer to a question;
- it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Information available on website

A copy of this notice and other information required by Section 311A of the Companies Act 2006 can be found at www.angloamerican.com

Limitations of Electronic Addresses

You may not use any electronic address provided in either this Notice of General Meeting or any related documents (including the proxy form) to communicate with the Company for any purposes other than those expressly stated.

APPENDIX 1

Continued Explanatory Notes

Appendix

The principal terms of the new Anglo American Long Term Incentive Plan 2011 (The 'Plan'), and the main differences between the Plan and the existing LTIP, are as follows:

1 Eligibility

Employees and executive directors of the group are eligible to participate in the Plan. It is anticipated that approximately 270 senior employees worldwide will be selected for participation.

2 Grant of awards

Participants will receive awards of free shares, which may be structured as conditional awards, forfeitable shares, nil-cost options, or phantom awards, as appropriate in the circumstances. Awards will normally be granted within 42 days of the announcement of the Company's results, and will not be granted more than ten years after the Plan's approval by shareholders. Awards are not pensionable or transferable.

3 Performance condition

Awards to executive directors will be subject to performance conditions, which will be stretching and designed to promote the long term success of the Company. It is intended that the performance conditions which will apply to the first awards under the Plan will be the same as the conditions that applied to awards made under the existing LTIP in 2010, which are described in the remuneration report.

4 Individual limits

In any financial year, the market value (at the time of the grant) of shares over which awards are granted to an employee under the Plan will not exceed 350% of his or her annual basic salary, unless the Remuneration Committee considers that exceptional circumstances apply.

5 Plan limits

In any ten year period, not more than 10% of the issued ordinary share capital of the Company may be issued or be issuable under the Plan and all other employee share plans operated by the Company. In addition, in any ten year period, not more than 5% of the issued ordinary share capital of the Company may be issued or be issuable under the discretionary share plans adopted by the Company.

In calculating these limits, awards which have lapsed are not included. The transfer of treasury shares is counted as an issue of new shares for so long as it is considered best practice to do so.

6 Vesting of awards

Subject to the satisfaction of performance conditions, awards will normally vest three years after grant. There will be a power to impose clawback in the event of a participant's material failure in performance. Shares will be issued or transferred to the participant shortly after vesting, unless the Company decides to satisfy the award in cash. Any shares issued will rank equally with shares of the same class in issue on the date of allotment except in respect of rights arising by reference to a prior record date.

7 Leaving employment

An award will normally lapse if the participant leaves employment. However, if the participant leaves in 'good leaver' circumstances (which are death, disability, ill-health, injury, redundancy, retirement, sale of the business in which he/she works, or other permitted circumstances), his or her award will vest on leaving subject to time pro-rating, unless the participant is an executive director in which case his or her award will vest at the end of the performance period subject to the satisfaction of performance conditions and time pro-rating.

8 Takeovers, reorganisations and other corporate events

Awards will generally vest early on a takeover, merger or other corporate reorganisation, subject to the satisfaction of performance conditions up to the time of vesting. Alternatively, participants may be allowed or required to exchange their awards for awards over shares in the acquiring company.

If there are other corporate events, including a rights issue, demerger or any variation in the share capital of the Company, the number of shares subject to an award, and any other relevant terms, may be adjusted.

9 Amendments

The directors can amend the Plan in any way. However, shareholder approval will be required to amend certain provisions which are to the advantage of participants. These provisions relate to eligibility, individual and plan limits, the rights attaching to awards and shares, the adjustment of awards on variation in the Company's share capital and the amendment powers.

The directors can, without shareholder approval, make minor amendments to benefit the administration of the plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment.

The directors may also, without shareholder approval, add schedules to the Plan which modify it to take account of overseas securities laws, exchange controls or tax legislation.

10 Main differences from the existing LTIP

The main differences between the Plan and the existing LTIP are: the increase in the individual limit from 200% of salary to 350% of salary; the power to impose clawback; the alignment of leaver provisions with those of the Bonus Share Plan; and the power to structure awards as nil cost options or phantoms, as an alternative to the current structure of forfeitable or conditional awards.

Warning to Shareholders – Boiler Room Scams

In recent years, many companies have become aware that their shareholders have received unsolicited phone calls or correspondence concerning investment matters. These are typically from overseas based 'brokers' who target UK shareholders, offering to sell them what often turn out to be worthless or high risk shares in US or UK investments. These operations are commonly known as 'boiler rooms'. These 'brokers' can be very persistent and extremely persuasive, and a 2006 survey by the Financial Services Authority (FSA) has reported that the average amount lost by investors is around £20,000.

It is not just the novice investor that has been duped in this way; many of the victims had been successfully investing for several years. Shareholders are advised to be very wary of any unsolicited advice, offers to buy shares at a discount or offers of free company reports. If you receive any unsolicited investment advice:

- Make sure you get the correct name of the person and organisation
- Check that they are properly authorised by the FSA before getting involved by visiting www.fsa.gov.uk/register/ and contacting the firm using the details on the register
- Report the matter to the FSA either by calling 0845 606 1234 or visiting www.fsa.gov.uk/pages/consumerinformation
- If the calls persist, hang up

If you deal with an unauthorised firm, you will not be eligible to receive payment under the Financial Services Compensation Scheme. The FSA can be contacted by completing an online form at <http://www.fsa.gov.uk/Pages/Doing/Regulated/Law/Alerts/form.shtml>

Details of share dealing facilities that the Company endorses are set out on page six of this document.

More detailed information on this or similar activity can be found on the Consumer Information section at www.fsa.gov.uk/pages/consumerinformation

Electronic communication

Shareholders may elect to receive, electronically, notification of the availability on the Company's website of future shareholder correspondence e.g. Annual Reports and Notices of AGMs.

The Company has already substantially reduced the financial and environmental cost of the annual report production and distribution following consultation with certificated holders in the UK and South Africa as well as South African investors holding shares in dematerialised form.

By registering for this service, UK shareholders can also vote online in respect of future AGMs and access information on their shareholding including, for example, dividend payment history, sales and purchases and indicative share prices. In order to register for the services, UK shareholders should log on to www.shareview.co.uk and follow the on screen instructions. It will be necessary to have a shareholder reference number when registering, which is shown on share certificates, dividend tax vouchers and proxy cards.

Dividends

Dividends are declared and paid in US dollars to shareholders with registered addresses in all countries except the UK, eurozone countries and South Africa where they are paid in sterling, euros and South African rand respectively. Shareholders outside South Africa may elect to receive their dividends in US dollars.

Shareholders with bank accounts in the UK or South Africa can have their cash dividends credited directly to their own accounts. Shareholders should contact the relevant registrar to make use of this facility. South African branch register shareholders would need South African exchange control approval to mandate their dividends to an account outside South Africa.

The forthcoming recommended final dividend is 40 US cents per share. Details of the amounts in sterling, euros and South African rand and the applicable currency exchange rates can be obtained from the Company's website www.angloamerican.com or from the company secretary.

The Company operates a dividend reinvestment plan ('DRIP'), which enables shareholders to reinvest their cash dividends into purchasing Anglo American shares. Details of the DRIP and how to join are available from Anglo American's UK Registrars and South African Transfer Secretaries and on the Company's website.
