EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The directors believe that the proposed resolutions are in the best interests of the Company and its shareholders and unanimously recommend shareholders to vote in favour, as the directors intend to do in respect of their own beneficial shareholdings.

⁽¹⁾ **Election of directors**

On 8 January 2013, the Company announced the appointment of Mark Cutifani as a director and CEO of the Company with effect from 3 April 2013. His biographical details are set out on page 93 of the Annual Report.

On 13 February 2013, the Company announced that it was recommending the appointment of Byron Grote to shareholders at the forthcoming AGM. His biographical details are set out on page 93 of the Annual Report.

Anne Stevens was appointed to the Board on 15 May 2012. Her biographical details are set out on page 93 of the Annual Report.

⁽²⁾ **Re-election of directors**

Resolutions 6 to 13 relate to the re-election of directors. Their biographical details are set out on pages 92–93 of the Annual Report to enable shareholders to take an informed decision on their re-election.

The Board confirms that all of the directors continue to perform effectively and demonstrate commitment to the role.

⁽³⁾ **Authority to allot securities**

The purpose of Resolution 17 is to renew the directors' power to allot shares.

The authority will allow the directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a nominal value of US\$76.4 million, which represents not more than 10% of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 14 February 2013.

At 14 February 2013, the Company held 14,275,445 treasury shares which represents 1.03% of the total ordinary issued share capital, excluding treasury shares, at that date.

There are no present plans to allot new shares other than as referred to in Explanatory Note 4 below.

If the resolution is passed, the authority will expire on the earlier of the conclusion of the Annual General Meeting in 2014 or 30 June 2014.

⁽⁴⁾ **Disapplication of statutory pre-emption rights**

The purpose of Resolution 18 is to authorise the directors (subject to the passing of Resolution 17) to allot new shares of the Company and to sell treasury shares for cash as if the pre-emption provisions of section 561 of the Companies Act 2006 do not apply. Under Section 561(1) of the Companies Act 2006, if the directors wish to allot shares, or grant rights to subscribe for, or convert securities into shares, or sell treasury shares for cash (other than pursuant to an employee share scheme), they must first be offered to existing shareholders pro-rata to their holdings.

Section 561 of the Companies Act is designed to prevent the holdings of existing shareholders being diluted against their wishes by the allotment of new shares. There may be occasions however, when the directors need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Companies Act 2006 unless shareholders have first waived their statutory pre-emption rights. Resolution 18 asks shareholders to do this such that the shareholders will not receive any pre-emption rights in relation to the issue of shares for cash up to a nominal value of US\$38.2million, which represents no more than 5% of the total issued ordinary share capital of the Company, excluding treasury shares, in issue at 14 February 2013 (being the last practicable date prior to publication of this Notice of AGM). The limit of 5% is derived from ABI guidelines.

For all issues of shares for cash above this 5% threshold, the Resolution 18 disapplication of Section 561 of the Companies Act allows the directors to conduct a pre-emptive offer or rights issue (being an offer of shares to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings) without the need to comply with the strict guidelines of the statutory pre-emption provisions but instead, subject to such limits, restrictions or arrangements as the directors consider necessary.

The authority granted by Resolution 18 will expire at the conclusion of the AGM in 2014 or on 30 June 2014, whichever is the earlier.

The directors have no present intention of exercising this authority except in relation to the allotment of ordinary shares to certain non-executive directors by subscription of their after tax directors' fees.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles not to allot shares for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three year period without prior consultation with shareholders.

⁽⁵⁾ **Authority for market purchases**

The directors are requesting this authority which, in accordance with practice in the UK, represents not more than 14.99% of the ordinary issued share capital, excluding treasury shares, as at 14 February 2013. The directors will only exercise this authority if they consider it is in the best interests of shareholders generally and if the purchase could be expected to result in an increase in earnings per share (other than in connection with an employee share scheme).

If any ordinary shares purchased pursuant to this authority are not held by the Company as treasury shares then such shares would be immediately cancelled, thereby reducing the number of ordinary shares in issue.

The total number of options to subscribe for shares outstanding at 14 February 2013 was 2,414,403 ordinary shares, which represents 0.17% of the issued ordinary share capital, excluding treasury shares, at that date. If the Company were to buy back the maximum number of shares permitted, then the number of options outstanding would represent 0.20% of the reduced share capital.

⁽⁶⁾ **Notice of general meetings**

Changes made to the Companies Act 2006 by the Shareholders' Rights Regulations increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. AGMs will continue to be held on at least 21 clear days' notice.

Resolution 20 seeks such approval. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

VOTING ARRANGEMENTS

Holders of ordinary shares are entitled to attend and vote at general meetings of the Company. The total number of issued ordinary shares in the Company (excluding those held in treasury) on 14 February 2013, which is the latest practicable date before the publication of this document, is 1,391,187,001, carrying one vote each on a poll. Therefore, the total number of votes exercisable as at 14 February 2013 is 1,391,187,001.

A poll will be held at the AGM on each of the resolutions. A poll reflects the number of voting rights exercisable by each member and so is the most democratic method of voting. Shareholders entitled to attend and vote at the AGM may appoint one or more proxies to attend and vote on their behalf, provided that each proxy is appointed to exercise the rights attached to a different share or shares by that shareholder. The appointment of a proxy will not prevent a shareholder from subsequently attending and voting at the AGM in person.

A proxy need not be a shareholder of the Company. To be valid, proxy appointments must be received no later than 48 hours prior to the meeting. UK registered shareholders may appoint a proxy online by logging on to www.sharevote.co.uk and following the on screen instructions. You will need the Voting ID, Task ID and shareholder reference number printed below your name on the accompanying form of proxy.

CREST members wishing to appoint a proxy using the CREST electronic proxy appointment service may do so via Equiniti (ID RA19). If you are a CREST personal member, a CREST sponsored member, or a CREST member who has appointed a voting service provider, you should refer to your sponsor or voting service provider who can take the appropriate action for you. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) by the latest time(s) for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to them by other means.

CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member

or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

CORPORATE REPRESENTATIVES

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

FORM OF PROXY

Every holder has the right to appoint some other person(s) of their choice, who need not be a shareholder as his/her proxy to exercise all or any of his/her rights, to attend, speak and vote on their behalf at the meeting. If a shareholder wishes to appoint a person other than the chairman, the name of the chosen proxy holder should be inserted in the space provided on the accompanying form of proxy. For shareholders outside South Africa, where the proxy is being appointed in relation to less than the shareholder's full voting entitlement, please enter in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as proxy. If left blank the proxy will be deemed to be authorised in respect of the shareholder's full voting entitlement. If the proxy form has been issued in respect of a designated account for a shareholder, the proxy will be deemed to be authorised in respect of the full voting entitlement for that account.

To appoint more than one proxy, an additional proxy form(s) may be obtained by contacting the Share Registrars or Transfer Secretaries or the form of proxy may be photocopied.

Shareholders should also indicate by ticking the box provided if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.

NOMINATED PERSONS

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 ('nominated persons'). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

RECORD DATE

Entitlement to attend and vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at 6.00 pm UK time on 17 April 2013 or, if the meeting is adjourned, 6.00 pm two days prior to the time fixed for the adjourned meeting (as the case may be).

PUBLICATION OF AUDIT CONCERNS

Shareholders should note that, under Section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM for the financial year beginning 1 January 2012; or (ii) any circumstance connected with an auditor of the Company (appointed for the financial year beginning 1 January 2012) ceasing to hold office since the previous meeting at which the annual report and accounts were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting for the relevant financial year includes any statement that the Company has been required, under Section 527 of the Companies Act 2006, to publish on a website.

QUESTIONS

Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:

- to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
- the answer has already been given on a website in the form of an answer to a question;
- it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

DIVIDENDS

Dividends are declared and paid in US dollars to shareholders with registered addresses in all countries except the UK, eurozone countries and South Africa where they are paid in sterling, euros and South African rand respectively. Shareholders outside South Africa may elect to receive their dividends in US dollars.

Shareholders with bank accounts in the UK or South Africa can have their cash dividends credited directly to their own accounts. Shareholders should contact the relevant registrar to make use of this facility. South African branch register shareholders would need South African exchange control approval to mandate their dividends to an account outside South Africa.

The forthcoming recommended final dividend is 53 US cents/4.7038 South African rand per share. Details of the amounts in sterling and euros and the applicable currency exchange rates can be obtained from the Company's website www.angloamerican.com or from the company secretary.

The Company operates a dividend reinvestment plan (DRIP), which enables shareholders to reinvest their cash dividends into purchasing Anglo American shares. Details of the DRIP and how to join are available from Anglo American's UK Registrars and South African Transfer Secretaries and on the Company's website

WARNING TO SHAREHOLDERS – BOILER ROOM SCAMS

In recent years, many companies have become aware that their shareholders have received unsolicited phone calls or correspondence concerning investment matters. These are typically from overseas based 'brokers' who target UK shareholders, offering to sell them what often turn out to be worthless or high risk shares in US or UK investments. These operations are commonly known as 'boiler rooms'. These 'brokers' can be very persistent and extremely persuasive. The Financial Services Authority (FSA) found that the average amount lost by individual investors due to these scams is around £20,000.

It is not just the novice investor that has been duped in this way; many of the victims had been successfully investing for several years. Shareholders are advised to be very wary of any unsolicited advice, offers to buy shares at a discount or offers of free company reports. If you receive any unsolicited investment advice:

- Make sure you get the correct name of the person and organisation.
- Check that they are properly authorised by the FSA before getting involved by visiting **www.fsa.gov.uk/pages/register** and contacting the firm using the details on the register.
- Report the matter to the FSA either by calling 0845 606 1234 or visiting **www.fsa.gov.uk/pages/consumerinformation** or completing an online form at **<http://www.fsa.gov.uk/Pages/Doing/Regulated/Law/Alerts/form.shtml>**
- If the calls persist, hang up.

If you deal with an unauthorised firm, you will not be eligible to receive payment under the Financial Services Compensation Scheme.

Details of share dealing facilities that the Company endorses are set out on page 5 of this document.

More detailed information on this or similar activity can be found on the Consumer Information section at **www.fsa.gov.uk/pages/consumerinformation**
